General Excavation Permit

To be completed by Town Staff	
Permit No.	_____
Issue Date	_____
Expiration Date	_____
Issued By	_____

The conditions of this permit are that every person acting under the same shall at all times, and in every respect, carefully and truly observe the Town and State of Connecticut laws, ordinances, rules, regulations, and requirements governing the work herein contemplated. The Town shall be held harmless from and indemnified against any and all actions, suits, demands, payments, costs and charges for or by reason of the proposed opening or excavation, and all injuries damages to persons or damage to property resulting in any manner therefrom, or occurring in the prosecution of work or from any other related matter.

Permits shall be obtained for all work within Town right-of-way. This permit shall be kept at the authorized work site and shall be shown upon the request of any Town employee, and may be revoked at any time for breach of its conditions.

ALLOWABLE WORKING HOURS are Monday through Saturday, 7:00 A.M. to 10:00 P.M. and Sunday 9:00 A.M. to 10:00 P.M.

THE ENGINEERING DEPARTMENT MUST BE CONTACTED AT 860-721-2850 OR [ENGINEERINGINSPCTIONS@WETHERSFIELDCT.GOV](mailto:EngineeringInspections@wethersfieldct.gov) A MINIMUM OF TWENTY-FOUR (24) HOURS BEFORE WORK BEGINS. A MINIMUM OF FOUR (4) HOURS NOTICE MUST BE PROVIDED PRIOR TO PLACING PAVEMENT AND POURING CONCRETE. FAILURE TO PROVIDE REQUIRED NOTICES MAY RESULT IN REVOCATION OF THE PERMIT AND/OR CONTRACTOR HAVING TO EXCAVATE OR CORE TO VERIFY MATERIAL THICKNESSES, PROVIDE MATERIAL TICKETS OR OTHERWISE CONFIRM ALL WORK WAS COMPLETED IN ACCORDANCE WITH TOWN STANDARDS. CONTRACTORS MAY BE REQUIRED TO RE-EXCAVATE AND REPLACE BACKFILL, BASE MATERIAL AND SURFACE MATERIALS IF DEEMED NECESSARY BY THE TOWN. REFER TO THE RIGHT-OF-WAY CONSTRUCTION INSPECTION REQUIREMENTS FOR ADDITIONAL INFORMATION.

The contractor shall notify **CALL BEFORE YOU DIG at 1-800-922-4455** at least THREE (3) WORKING DAYS prior to the anticipated start date and shall ensure all utility marks are present prior to start of work. The contractor is responsible to field verify actual location of all utilities in the vicinity of the work, including drainage systems, which will not be marked. Contact the Engineering Department for mark out of drainage systems if needed to safely complete work.

The undersigned hereby agrees to become responsible to the municipality for any and all damages that may result to said municipality and to any person or property within said municipality, which said municipality would be liable by reason of the construction of such work.

The undersigned hereby agrees that mill and overlay pavement restoration is required for disturbance to roads PAVED WITHIN THE LAST FIVE (5) YEARS.

The undersigned hereby agrees that permanent pavement repairs will be completed during a settlement period extending between 45 and 90 days after completion of temporary pavement repairs. All work up to and including permanent pavement repairs shall be completed in a manner satisfactory to the Town before the expiration date shown on this permit. If needed, the permittee may submit a written request for an extension of time stating the reason(s) for review and approval by the Town.

The undersigned hereby agrees to abide by and perform all work in accordance with the current Town standard details and specifications received when the license for working in the right-of-way was issued and the "State of Connecticut Department of Transportation, Standard Specifications for Roads, Bridges, Facilities and Incidental Construction", latest revision. If a conflict exists between these details and specifications, the Town documents shall govern. The standard specifications and details of applicable utility companies shall be used when installing or modifying their systems.

The placement of materials in the right-of-way shall be done in accordance with Section 52-558 of the General Statutes of the State of Connecticut. The refilling of all trenches shall be done in a manner approved by the Engineering Department, and the applicant herein assumes all liability for any damages or faulty construction, which may occur in connection with the work herein stated WITHIN A PERIOD OF TWO (2) YEARS from the date of completion of the work.

The undersigned hereby agrees that no work shall result in discharge of surface or subsurface water onto public or private property that causes damage to such property, no street shall be detoured or closed as a result of this work without prior approval of the Local Traffic Authority (one-lane allowing for safe passage shall to be maintained at all times), and NO equipment and materials shall be stored within the right-of-way outside of allowable working hours defined herein without approval of the Town Engineer.

By signing below, I certify that I have reviewed and am familiar with requirements of this permit and the current Town of Wethersfield's Ordinance Chapter 139 regulating work within the right-of-way, and that performing work within the right-of-way without a permit is a violation of said ordinance, which may subject me to fees that are double the standard rates and a fine of \$100.00 for every day the violation continues, per Ordinance Sections 139-18 and 139-24, respectively.
